

Privacy Policy - ScrapeData Co.

AI-generated document - not legal advice. Review with a licensed professional before signing.

1. Introduction

ScrapeData Co. collects and processes business data from various public sources including Google Maps, Yelp, and social media.

2. Data Collection

We collect publicly available business information such as names, addresses, phone numbers, and industry categories.

3. Legal Basis (GDPR)

We process data based on 'Legitimate Interest' for providing business intelligence.

4. CCPA Rights

Users have the right to know, access, and request deletion of data.

5. Data Usage

Data is used to provide insights to our clients in industries like Home Services and Retail.

6. Data Sharing

We share processed data with clients but do not sell raw personal data to third parties without purpose.

7. Security

We use industry-standard encryption to protect our databases.
