### 1. INTRODUCTION

ScrapeData Co. ('we', 'us', or 'our') provides data services by collecting and aggregating publicly available business information. This Privacy Policy explains how we collect, use, disclose, and protect data, ensuring compliance with the General Data Protection Regulation (GDPR) and the California Consumer Privacy Act (CCPA).

### 2. DATA COLLECTION

We primarily collect data through web scraping and various APIs from public sources, including but not limited to:

- Maps & Directories (Google Maps, Yelp, Local Directories)
- Scraping & Aggregators (Outscraper, B2BLeadFinder, Social Media)
- Official Records (Public Records, State Filings)

### 3. TYPES OF DATA COLLECTED

We collect business-level data which may include:

- Business Name and Category
- Physical Address and Geolocation
- Phone Numbers and Email Addresses
- Website URLs
- Ratings and Reviews

### 4. LEGAL BASIS FOR PROCESSING (GDPR)

For data subjects within the European Economic Area (EEA), our legal basis for processing is 'Legitimate Interest'. We collect publicly available business data to provide valuable insights to our clients, which is a necessary part of our service offering.

### 5. CCPA COMPLIANCE

For California residents, we collect 'publicly available information' as defined by the CCPA. This includes

information that is lawfully made available from government records or widely distributed media.

## 6. DATA SUBJECT RIGHTS

Depending on your location, you may have the following rights:

- Right to Access: Request a copy of the data we hold.
- Right to Rectification: Request correction of inaccurate data.
- Right to Erasure ('Right to be Forgotten'): Request deletion of your data.
- Right to Portability: Request transfer of your data to another service.

## 7. DATA SECURITY AND RETENTION

We implement industry-standard technical and organizational measures (such as encryption and secure cloud storage) to protect scraped data. We retain data for as long as necessary to fulfill the purposes outlined in this policy or as required by law.

## 8. THIRD-PARTY SHARING

We may share aggregated or anonymized data with our clients. We do not sell personal identifiable information (PII) in the traditional sense, as our focus is on B2B public data.
